GUIDELINE FOR MOBILITY REPORT

Instruction:

As a mobility student, you are required to write a report on your mobility. In the report, you are asked to reflect upon your experience attending the mobility program. Your report will be a great source of inspiration and information for other UUM students.

Sections of the report:

1.0 Pre-departure

Suggested topics: Why did you choose to go on for mobility? Why you choose the host university?

2.0 Arrival

Suggested topics: How long before the class start were the students supposed to arrive at the host university? Did the host university provide any introduction courses?

3.0 Financing

Suggested topics: Cost of living – suggestion for keeping costs down? Obligatory costs related to the exchange (e.g., visa, insurance). Please recommend useful links.
4.0 Accommodation
Suggested topics: How was the accommodation arrange? What was your impression of the standard and cost of housing? Do you received any advice concerning the housing? Was the accommodation located close to or far away from the host university? Please recommend useful links.

5.0 Studies – in general
Suggested topics: Please describe the studies in general (e.g., teaching method and study environment). How did you experience the relationship between the lecturer and student? Please comment on the similarities and differences between the host university and UUM.

6.0 Language and culture
Suggested topics: How is your experience in a different language (if different from your native language)? Did the host university provide any language courses? Did you experience any cultural differences or cultural clashes? If so, please describe.

7.0 Leisure time
Suggested topics: Did the host university arrange any social activities? Is it easy to get contact with other students? Please describe the city, the university and the student life. Please recommend useful links.

8.0 Things that can be learned in the host country
Suggested topics: What are the things that you learned MOST while in the host country [the people values, ways of life, the system (e.g., education, transportation)]?
9.0 Conclusion

Please reflect on, if and how, you have been influenced by the exchange – personally and as a student. Do you think that the mobility experiences will affect your future professional role? Please describe your general impressions towards your mobility experiences.
